The Business & Information Technology Department Presents...

Internet Safety: Protect Your Child in Our Digital World!

Opening Night:	**Wednesday, February 24, 2010**
Show Time:	**6:30 pm – 8:00 pm**
Theatre Location:	**Meno. Falls High School Auditorium**
Rating:	**Parents/Adults Only**
Your Hosts:	**Detectives Herrmann & Voight**
	Waukesha County Sheriff's Department

The basic components of the presentation are as follows:

1. Overview of instant messaging and chat rooms
2. What predators look for, who they look for, and how they do it
3. Case studies
4. Signs your child is at risk
5. Safeguards for children
6. Cyberbullying and "Sexting"
7. MySpace.com, Facebook, and Twitter

This program includes graphic language and case studies, and instruction about preventative tools for parents—it is intended **for parents/adults only**. This presentation lasts for approximately 1 ½ hours with a question/answer period at the end. The detectives will also go on-line and show information from MySpace.com and Facebook.

Please Note: Students in the Business & Information Technology Department at the High School will be hearing a similar presentation (PG Rated version) during the school day on Thursday, February 25, 2010.
